

Location: Kalamazoo, MI

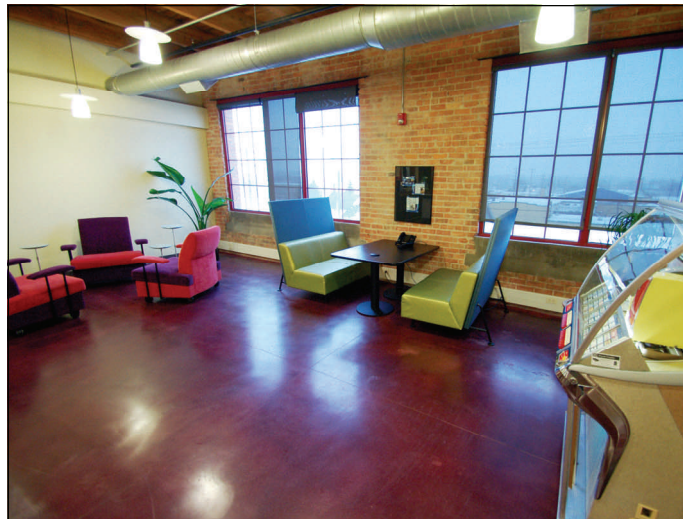

Architect: Pioneer Construction, Grand Rapids, MI

Contractor: Pioneer Construction, Grand Rapids, MI

Maxxon Dealer: Kent Underlayment Specialties, Grand Rapids, MI

Scope: 27,112 sq. ft. of Dura-Cap poured at 3/4" depth over diamond lath and Maxxon Moistop
5,045 sq. ft. of Level-Right WearTop - grey poured at 5/8", saw-cut, polished, and integrally colored.

When Biggs | Gilmore ad agency wanted to grow and update their office space, they also looked to make the space more comfortable. Dura-Cap was selected to provide a smooth, flat surface that provided fire safety and added sound control. Level-Right WearTop, colored in Grey and Eggplant, gave the lobby a durable finish and a trendy new look.
