

Location: Geneva, Illinois

Architect: Dorsky Hodgson Parrish Yue, Cleveland, Ohio

Contractor: Bovis Lend Lease, Chicago, Illinois

Maxxon Dealer: Floor Systems of Chicago, Chicago, Illinois

Scope: 120,000 sq. ft. of Gyp-Crete 2000/3.2K poured at 1"
66,000 sq. ft of Dura-Cap poured at 1"
Acousti-Mat LPR in all hard surface areas 1/8" in 10' tolerance

To meet the varying demands of this senior living community, several Maxxon products were selected. Acousti-Mat LPR was laid in the hard surface areas to help ensure quality sound control, while also maintaining a low profile. Gyp-Crete 2000/3.2K and Dura-Cap were poured throughout the community.
